

June 2012

### *W-Touch by AURES: now available in PACK format*

Runcorn & Lisses - 7. June 2012: **W-Touch**, the **AURES** ultra-slim integrated EPOS terminal, is now available as a **PACK** with its accompanying receipt printer, the **ODP 1000**.

Ready out of the box, the complete **W-Touch PACK** Solution comes with a **pole** or **stand** - and is perfect for even the smallest cash desk areas.

**W-Touch** is an EPOS\* terminal with a slimline, fanless design and a 15-inch screen.

Installed either directly on a *wall* or on a *pole (or stand)*, its compact and thin design (just 48mm deep) makes it ideal for retail outlets where space at the checkout is at a premium.

- Its powerful INTEL Atom Pineview dual-core D525 processor provides fanless operation, offering excellent resistance to dust, crumbs and splashes. The front panel complies with IP65 standards, and the terminal also features optimised power usage.
- **W-Touch** is perfect for all types of sales and service outlets where space is tight and till staff often standing while they work. The system can be wall-mounted or installed on a pole or base.
- **W-Touch** is ideal for retail environments, takeaway sales, catering and kitchen environments, bars, fast food outlets and mini-markets, as well as food and non-food self-serve stores. The system can also be adapted to both checkout and self-checkout terminal furniture.

**W-Touch** and its accompanying **ODP 1000** printer (with matching lacquer finish) are both available in graphite black and pure white.

**W-Touch PACK**  
in Graphite Black or Pure White
