***New wall-mounted EPOS till system:  
AURES unveils W-Touch by POSLIGNE®***

Runcorn - Lisses, July 6<sup>th</sup> - 2011 ; the **AURES** Group, manufacturer of the **POSLIGNE®** range of till management and EPOS systems, has unveiled the **W-Touch**, an “all-in-one” touch screen equipment featuring a slimline, fanless and splash-proof design, developed predominantly for **wall-mounted till applications**.

**W-Touch by POSLIGNE®** is an integrated 15-inch touch screen system: just 480 mm thick, this integrated EPOS has been designed to be wall mounted, freeing up space at the cash desk.

- Equipped with an *INTEL Atom Pineview dual-core D525* processor, the fanless terminal offers excellent resistance to dust and crumbs; it is splash proof (IP 54 standards) and also boasts *optimised power consumption characteristics*.
- Designed for wall-mounted applications, **W-Touch** is perfect for all types of sales and service outlets where space is at a minimum and till staff stand whilst they work.
- It is perfect for takeaway sales, catering and kitchen environments, bars, fast food outlets and mini-markets, as well as food and non-food self-serve stores and points of service.

**W-Touch** can easily be adapted to both *checkout and self-checkout set-ups*, and is available in 2 colours: *graphite black and pure white*.

## W-Touch: key features

- Wall-mounted, integrated touch screen system with VESA fixings
- Slimline design
- INTEL Pineview Dual Core D525 processor
- Fanless system, ideal for harsh environments
- Optimised power consumption
- Splash-proof, IP 54 standards (front face)
- Hard drive on removable rack
- Optional SSD flash drive
- 2 colours: graphite black and pure white

<b>Model</b>	<b>W-Touch</b>
Processor	INTEL Pineview Dual Core D525
Chipset	Processor with integrated graphics controller + ICH8M
Memory (RAM)	1 GB DDR3 SO DIMM – up to 4GB (2 slots)
Graphics memory	Up to 256 MB shared RAM
Hard drive	SATA 2.5" 160 GB hard drive on removable rack
Flash Memory	Optional SSD SATA flash drive
Touch screen	15" Resistive
Brightness	250cd/sgm
Resolution:	1024 x 768

## Inputs / Outputs

Serial/COM	4 ports (2 self-powered)
USB 2.0	4 USB 2.0
Parallel port	1 Sub-D 25 pin connector
LAN 10/100/1000	1 RJ45
Cash drawer output	1 RJ11 (12V/24V)
Mike input	1
Audio output	1
Additional video output	1
Mini PCIe slot	1

## Other features

Power Supply	External, 90W, 19V, 4.7A
Operating temperature	5°C to 35°C (41° F to 95° F)
Storage temperature	-20° to 55° C (-4° F to 140° F)
IP 54 standard	Splash-proof front face
Humidity rating (in operation)	20% to 80% (RH without condensation)
Humidity rating (in storage)	20% to 80% (RH without condensation)
Dimensions (W x H x D)	362 x 280 x 48 mm (excluding wall bracket)

Standard VESA 100 x 100 mm      may be used on a wall-mounted bracket or pole.

Weight      7kg

Compatible Operating Systems      Vista, Windows XP Pro, WIN 2000/NT 4.0, POS Ready, Windows 7, Linux

Options      SSD flash drive

Colours      Graphite black and pure white

**About the AURES Group**

Founded in 1989 and listed on Euronext Paris since 1999, the Group manufactures point of sale terminals and EPOS systems, as well as related peripherals, which it markets under the POSLIGNE® brand.

Acclaimed for its excellent reliability, this PC-based, open-system hardware is designed to provide management and till functions in specialist food and non-food stores, retail outlets, superstores, the catering and hospitality industry and all other points of sale and service.

Offering EPOS hardware featuring innovative designs and a wide range of fully interchangeable colours, the AURES Group is positioned as the most creative leader in its field.

Distribution of POSLIGNE® systems is based out of AURES' headquarters in France, the Group's three subsidiaries in the United Kingdom, Germany and the USA, and a distributor network present in over fifty countries.
